“CAMINO DE SANTIAGO” AND “CAMINO LEBANIEGO”

On the route of the “Camino de la Costa”, shell pilgrims cross the town of **Comillas**. The “**Caminos de Santiago del Norte**” were added to the **UNESCO World Heritage** List in 2015. This decision completes the recognition granted to the “Camino Francés” in 1993. The four new routes that have been incorporated are: the “Camino Primitivo”, the “Camino de la Costa”, the “Camino Interior Vasco-Riojano” and the “Camino Lebaniego”. In **Cantabria**, the “Camino del Norte de la Costa” and the “Camino Lebaniego” pass through, with the latter being the pilgrimage route to Santo Toribio de Liébana, which spans 72 kilometers between San Vicente de la Barquera and the Monastery of Santo Toribio de Liébana.

JULY 2025: Starting Thursday, July 3, open from Thursday to Saturday, with guided visits including live demonstrations at 12:00, 13:00, and 17:00.

Located in the municipality of **Herrerías**, on the banks of the Nansa River, this forge transports us to a traditional way of life, as if time had stood still, and its walls once again echo the incessant noise of the bellows and the hammer striking iron.

FERRERÍA (Ironworks) AND MILL OF CADES

The building is part of a rural complex from the 18th century, completed in 1752.

Its design is typical of Cantabrian forges: a sturdy masonry structure with two main halls connected to each other, housing the hydraulic machinery, and four coal bunkers attached transversely. Its impressive size, along with excellent hydraulic engineering, makes it one of the finest examples of this type.

The mill adjacent to the forge completes this interesting rural ensemble. As a cycle concludes, the water returns to the Nansa River, from which it is diverted to operate the machinery. During guided tours, the machines are activated, immersing visitors in the life of the blacksmiths and millers of that era.

PRICES FERRERÍA DE CADES

- **Guided tour Ironworks and Mill with demonstration:** general **8,5 €** and reduced* **6€**
- **Free tour without demonstration** of the Ironworks and the Mill (only when guided tour is unavailable): **4 €**.
